

Gage Valet Boat Club 2010-2011

Price Includes “Year-Round” Storage

Valet Service May 1 – October 1 / Winter Storage October 1 – May 1

Prices are for the length over all (LOA) as universally documented by the Marine Manufacturers Association in 2009. For boats manufactured before the current standard, we will use the ABOS Marine Blue Book for reference; however, the length shall include the swim platform as we must allocate for that space.

For those boat lengths under 6” will be rounded down and those 7” will be rounded up to the nearest full foot rate. Unfortunately, depending upon their weight, trailer or helm configuration, some boats may not be appropriate for our service.

Boats 14’ - 17’ long	\$3,740.00
Boats 18’ – 26’ long	\$220 per foot
Boats 27’ – 29’ long	\$230 per foot

Payment Options

Based on an example with a boat 26 feet in length. Total amount due is \$220 per foot multiplied by 26 which equals a total amount due of \$5,720 plus tax.

Monthly Installment Plan

Your annual balance due will be divided by 12 and billed monthly starting this October. The payments will run October 2009 – September 2010. Please contact Tanya in the accounting department ASAP for details. Based on the above example the monthly payment would be \$477 (\$5,720/12) plus tax.

Payment Plan Deposit Schedule

- 10% of total amount due by November 1, 2009 (\$572 based on example above)
- 30% of total amount due by January 1, 2010 (\$1,716 based on example above)
- 60% of total amount due by March 1, 2010 (\$3,432 based on example above)

Above prices need to add Wisconsin Sales Tax of 5.5%.

*If we do not hear from you by December 1, 2009 your space may be made available to individuals on the waiting list. The first month installment or the 10% deposit depending on the payment option selected will be considered a **non-refundable** deposit.*
